

We hope you will be able to come to the AGM on Monday 20th February at 7.30pm in The Village Hall and enjoy the warmth of the new wood burning stove. If you would like to volunteer, we would much welcome any new help from the local community.

Review of 2016

Last year the Easter Fair was well attended lots of families enjoyed the day. There were paper rabbits hidden in the church, eggs on sticks hidden in daffodils as well as numbered egg shapes hidden around Hayton. Again, we thank all the local businesses for their donation of prizes. We will have a couple of different challenges this year, so hope to see you all on Sunday 9th April.

The BBQ was a thoroughly enjoyable lovely warm evening. Swirlz ice cream came, selling their delicious ice-creams. The potatoes and various salads were delicious. Thank you everyone who donated these and for all the help setting up, running the event and cleaning up afterwards, it was tremendous!

The Fun Produce Show in September had 140 entries. There was a lot of competition in some of the categories, especially cakes and bread, along with the smallest red tomato, and largest apple. There was a lot of laughter too! We had a raffle, tea and cakes were also available.

Richard Bull, Dot Lund, Leslie Craven, Sarah and Matthew Green, Di Horner all did an excellent job as judges.

This year there will be extra categories, children will be able to enter any of the sections. Hope you will be able to come and enjoy the event on Sunday 10th September, (even if you don't compete), and leave with a smile on your face.

Sonia Dykes did a great job on the Treasure Hunt in Market Weighton, even if some people did get lost en route! The next one will be in Hayton in 2018.

John Oldham from Thorpe Le Street installed our new Charnwood Wood burning stove, after Mick Bettison did all the preparation work for it. What a difference it makes, especially at Parish Council meetings. Many thanks both of you!

Little Treasures Party Hire

We are Little Treasures Party Hire run by myself Helen (from Roman Close) and Debi my cousin. Our recent launch event was held in the village hall.

The event was held on 28th January, the children which attended had lots of fun.

Little Treasures offers a vast array of soft play equipment in various packages to suit a selection of ages from baby to 5yrs. The equipment can be hired for own use at home or in a hired venue. Alternatively the Little Treasures Team will host the party, complete with a full and age relevant soft play setting, small people sized tables and chairs, all party crockery etc, in Hayton Village Hall.

We are also available, complete with our extra large inflatable marquee, to attend fetes, galas and country shows.

We are hoping to attend the Easter Egg hunt with some of our equipment for the under 5's to enjoy!

More info can be found on our facebook page on <https://www.facebook.com/LittleTreasuresPartyHire/>
